

SAMUEL BASTOS DA SILVA – MATRICULA: 20201013020129

The screenshot shows a Windows 11 desktop environment. In the foreground, the 'Virtual Machine Manager' window is open, displaying a list of virtual machines. The first entry, 'ubuntu23.10', is highlighted in blue and shows a status of 'Running'. To the right of the VM Manager window, a terminal window is open, showing the execution of the command 'sudo systemctl enable --now libvirtd'. The terminal output indicates that the 'libvirtd' service is successfully enabled and started, showing details such as the service being active (running) since Saturday, August 19, 2023, at 18:11:29 -03, and the unit file path as '/usr/sbin/libvirtd'.
